

# THE NEW SCRAPBOOKING PAPER BLOCKS

*Keep your memories, make a unique album.*

The new Scrapbooking Collection has been inspired by the concrete need of making your own album and journals and on such bases we developed different themes to offer suggestions and tips about the Scrapbooking papers purpose.

We made **9 different Scrapbooking Papers Blocks**, each containing **10 double side matching printed papers** to

inspire a narration about travels, or to hold the pictures of a New Baby or a Wedding or simply to decorate your journal for fun. The tutoring proposed shows a Baby Boy album and can be a super gift idea for our own relatives or friends.

*I had I the heaven's embroidered  
cloths. Enourough with golden and silver  
light, the blue and the dim and the dark  
light. At night and light and the half- light,  
I would spread the cloths under your  
feet, but I, being poor, have only my dreams,  
have spread my dreams under your feet,  
and softly because you tread on my dreams.*
