How TO SEAL WITH WAX

Wax & Seals
Stamperia

1

Set Up the Wax Burner by placing a lit candle under the wax burner to heat it.

2

Place the spoon on the burner and put into it at least three pieces of wax. Wait for them to melt completely.

3

Pour the melted Wax onto your chosen area, using enough wax to fully cover the size of your stamp.

4

Firmly press the Stamp the stamp into the wax and hold it steady for few seconds.

5

Clean the spoon before using a different wax colour. Clean all the tools with a cloth.

**Remember to not let the flame
unattended!!**
